

Lessons to Be Learned

Barbra Streisand

They say
There's a universal plan
For every woman
For every man I do believe
There's a higher power
But in our darkest hour
It's hard to understand So we start to question
Start to doubt
We lose faith
In what life's all about Why did the right road
Take the wrong turn?
Why did our heart break?
Why'd we get burned? Just like the seasons
There are reasons
For the path we take
There are no mistakes
Just lessons to be learned Don't give up
Keep on lookin' deep inside
Let your heartbeat
Be your guide 'Cause there's a gift
For those who keep believin'
You'll find what you've been needing
Is right before your eyes You'll hold the answer
In your hands
And then you'll know
You'll finally understand why Why did the right road
Take that wrong turn?
Why did our heart break?
And why'd we get burned? Just like the seasons
There are reasons
For the path we take
There are no mistakes
Just lessons to be learned No matter how many times
You stumble or fall
The greatest lesson
Is loving yourself
Through it all Hoo, hoo, hoo ooo
Ooo Why did the right road
Take that wrong turn?

Why did our heart break?
Why'd we get burned? Just like the seasons
There are reasons
For the path we take
There are no mistakes
Just lessons
Lessons
To be learned
