## Aerosmith

Sweet emotion

Sweet emotionTalk about things that nobody cares

Wearing out things that nobody wears

You're calling my name but I gotta make clear

I can't tell you, baby, where I'll be in a yearSome sweat hog mama with a face like a gent

Said my get up and go must a got up and went

Well, I got good news, she's a real good liar

Backstage boogie set your pants on fireSweet emotion

Sweet emotionI pulled into town in a police car

Your daddy said I took it just a little too far

You're telling me things but your girlfriend lied

You can't catch me 'cause the rabbit gone died, I guess it didstanding the front just a shaking your ass

I'll take you backstage you'll be drinking my glass

talk about something but you'll sure understand

cause a month on the road I'll be eating from your hand
