

# Take This Job and Shove it

## Johnny Paycheck

Take this job and shove it  
I ain't working here no more  
My woman done left and took all the reasons  
    I was working for  
You better not try to stand in my way  
    'Cause I'm walkin' out the door  
    Take this job and shove it  
I ain't working here no moreI been workin' in this factory  
    For nigh on fifteen years  
    All this time I watched my woman  
    Drownin' in a pool of tears  
    And I've seen a lot of good folks die  
    That had a lot of bills to pay  
    I'd give the shirt right offa' my back  
If I had the guts to sayTake this job and shove it  
    I ain't working here no more  
My woman done left and took all the reasons  
    I was workin' for  
You better not try to stand in my way  
    'Cause I'm walkin' out the door  
    Take this job and shove it  
I ain't workin' here no moreWell that foreman, he's a regular dog  
    The line boss, he's a fool  
    Got a brand new flattop haircut  
Lord, he thinks he's coolOne of these days I'm gonna' blow my top  
    And that sucker, he's gonna' pay  
    Lord I can't wait to see their faces  
When I get the nerve to sayTake this job and shove it  
    I ain't working here no more  
My woman done left and took all the reasons  
    I was workin for  
You better not try to stand in my way  
    'Cause I'm walkin' out the door  
    Take this job and shove it  
I ain't workin' here no moreTake this job and shove it
