Youth

Soft Cell

Youth has gone I heard you say It doesn't matter AnywayDon't hide the photos Or turn off the lights I'm quite sure we've both seen Funnier sightsYouth sleep In a deep, deep sleep Beauty is skin deepYouth has gone Though we're still young It's hard, I know to believe That I was somebody's sonThe memories Of what you once were The memories of what We both were Youth sleep In a deep, deep sleep Beauty is skin deepYouth has gone And don't think I don't cry We let ourselves slip And now I ask myself whyI'm on my own And don't think I really mind When after all The years have been fairly kindYouth sleep In a deep, deep sleep Beauty is skin deepSleep In a deep, deep sleep Beauty is skin deepYouth, youth, youth sleep
