I'm calling all bars tonight
Pour me a glass
But don't be cheap with the wineIt's time to live until tomorrow ends
Because we don't need rest
We'll sleep when we're deadCancel our subscription
We don't, we don't
Need your issues anymoreCancel our subscription
We don't, we don't
Need your issues anymoreLet's live it up like it's our last
(It's our last)
'Cause there's no room for I wish I had's
(Wish I had's)It's time to live until tomorrow ends
Because we don't need rest
We'll sleep when we're deadCancel our subscription
We don't, we don't
Need your issues anymoreCancel our subscription
We don't, we don't
Need your issues anymore
(More)Tell everyone that I said goodbye tonight
And tip the 'tender for his generous words
(Words)Tell everyone that I said goodbye tonight
And tip the 'tender for his generous wordsTell everyone that I said goodbye tonight
And tip the 'tender for his generous words
(Words)Tell everyone that I said goodbye tonight
