

# Tell Me

## Jill Barber

Are you angry with me?  
Did I make you feel blue?  
Did I do something wrong?

Or is what I didn't do Tell me (x3) Tell me what I can do Did I do you wrong?

When I meant to do you right

Been waiting so long

Let's not spoil the night Why don't you just Tell me (x3)

Tell me what I can do

Tell me (x3)

To make it up to you Tell me that you want me

Tell me that you need me

Why do you have to taunt me?

Why do you have to tease me?

Come a little closer

I really wanna know you

There are things that I could tell you

But I think rather show you Tell me (x3) Tell me what I can do

Why don't you just Tell me

Tell me what I can do

To make it up to you Tell me that you want me

Tell me that you need me

Why do you have to taunt me?

Why do you have to tease me?

Come a little closer

I really wanna know you

There are things that I could tell you

But I think rather show you If I said something wrong

If I let you down

If I wasn't strong

If I was not around

If you're angry with me

Did I make you feel blue?

Did I do something wrong? Or is it what I didn't do?
