

The Lady Who Cries

Mercyful Fate

Many have seen the statue that cries
But only I have seen her at night
Many say that it...is a miracle
Many say that her...tears can heal you, but When the sun goes down, and my day begins
That's when I saw her change
Her tears did turn to blood, just like a miracle
And through her mouth of stone, I saw the fire From so deep inside, I heard a voice from Hell
"I am the lady who cries, I am he who lights the night"
"I am Lucifer" Many say that it...is a miracle
Many say that her...tears can heal you, but From so deep inside, I heard a voice from Hell
"I am the lady who cries, I am he who lights the night" "I'm your eternal friend" "Let my children come to me at
day
Let my children come to me and pray" "They don't know who I am
Or that they worship the Devil
"They don't know who I am
They think I'm a miracle..."
