## **Forever More**

## Moloko

And if I drown in this sea of devotion

Just a stone left unturned

My need is deep wide endless oceans

Feel it furious the fire burns on Let there be love, everlasting

And it will live eternally

Will we receive without ever asking?

I'm just curiousGot to find me somebody

But there's nobody to love me

And it's driving me crazy

There's nobody to love meSomebody tell me

How could there be nobody, nobody to love me

And this life is so empty

There's nobody to love meEndless tears, forever joy

To feel most every feeling, forever more

Endless tears, forever joy

To feel most every feeling, forever moreEndless tears, forever joy

To feel most every feeling, forever more

Endless tears, forever joy

To feel most every feeling, forever moreAnd if I drown in this sea of devotion

Just a stone left unturned

My need is deep wide endless oceans

Feel it furious the fire burns on Let there be love, everlasting

And it will live eternally

Will we receive without ever asking?

I'm just curiousDon't want to see me crying

Just want to see me flying

I need to get so high and

Want somebody to blow my mindDon't want to see me crying

Just want to see me flying

I need to get so high and

Want don't you blow my mind

Blow my mind, blow my mindGot to find me somebody

But there's nobody

To love me

Anybody could love meAnd it's driving me crazy

There's nobody to love me

Anybody could love meSomebody to hold my hand

Someone who understands

Somebody to help me write

The poetry of lifeSomeone to love me Someone who loves me Ooh babyEndless tears, forever joy To feel most every feeling, forever more Endless tears, forever joy To feel most every feeling, forever moreEndless tears, forever joy To feel most every feeling, forever more Endless tears, forever joy To feel most every feeling, forever moreGot to find me somebody But there's nobody to love me And it's driving me crazy There's nobody to love meMost every feeling Most every feeling Most every feeling Most every feelingMost every feeling Most every feeling
