Friends Forever

Vitamin C

So we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same (Be the same)But when we leave this year we won't be coming back
No more hanging out 'cause we're on a different track and if you
Got something that you need to say you better say it right now
'Cause you don't have another day (Another day)'Cause we're moving on and we can't slow down
These memories are playing like a film without sound
And I, keep thinking of the night in June, I didn't know much of love
But it came too soon (Oh, came too soon)And there was me and you and then it got real Blue
Stay at home talking on the telephone and we would
Get so excited and we'd get so scared, laughing at ourselves
Thinking life's not fair, (Ooh) and this is how it feels (Ooh-Ooh)As we go on
We remember
All the times we
Had togetherAnd as our lives change
Come whatever
We will still be
Friends foreverSo if we get the big jobs and we make the big money
When we look back now, will our jokes still be funny?
Will we still remember everything we learned in school?
Still be tryna break every single rule? (Every rule)Will Little Brainy Bobby be the stockbroker man?
Can Heather find a job that won't interfere with her tan? I keep
Keep thinking that it's not goodbye (Not goodbye), keep on thinking
It's a time to fly, (Ooh) and this is how it feels (Ooh-Ooh)As we go on
We remember
All the times we
Had togetherAnd as our lives change
Come whatever
We will still be
Friends foreverLa-La-La-La-La-La-La-La
La-La-La-La-La-La-La-La
La-La-La-La-La-La-La
Yeah-Yeah-YeahLa-La-La-La-La-La-La-La
La-La-La-La-La-La-La-La
La-La-La-La-La-La-La
We will still be, friends foreverWill we think about tomorrow like we think about now?
Can we survive it out there? Can we make it somehow? (Somehow?)

I guess I thought that this would never end
And suddenly it's like we're women and menWill the past be a shadow that will follow us 'round?
Will these memories fade when I leave this town?
I keep, keep thinking that it's not goodbye (It's not goodbye)
Keep on thinking it's a time to flyAs we go on (Ooh)
We remember (We remember)
All the times we (We)
Had together (Together, Love)And as our lives change (Yeah)
Come whatever (Come whatever)
We will still be (We will always)
Friends forever (Friends forever)As we go on (As we go on)
We remember (Yeah)
All the times we (Yay-Yeah)
Had togetherAnd as our lives change
Come whatever (Come whatever)
We will still be (Yay-Yeah)
Friends foreverAs we go on (We'll always, La-La-La-La-La-La-La-La)
We remember (Always remember, La-La-La-La-La-La-La-La)
All the times we (La-La-La-La-La-La-La)
Had together (Yeah-Yeah-Yeah)And as our lives change (As our lives change, La-La-La-La-La-La-La-La)
Come whatever (La-La-La-La-La-La-La-La)
We will still be (Always remember, La-La-La-La-La-La-La-La)
Friends forever (Oh, Ooh)
