I'm Through

The Sunstreak

Hopelessly waiting for change
Are you hearing a word that I say?
I've been collecting dust in my mind
Save me.
And all you want to do
Is make believe what I can see.I don't really wanna care for you
I don't really wanna be here after all
Doesn't matter what you say you'll do
I'm through
I'm through, yeah
Did I ever really care for you?
Do you think you'll miss me after all
Doesn't matter what you say you'll do
I'm through
I'm through with you.
Convincingly you arrived
Wearing less and less each time
I guess you don't have any respect for yourself at all
And all you want to do is make believe what I can seeI don't really wanna care for you
I don't really wanna be here after all
Doesn't matter what you say you'll do
I'm through
I'm through, yeah
Did I ever really care for you?
Do you think you'll miss me after all?
Doesn't matter what you say you'll do
I'm through
I'm through with you.
All that I wanted and needed was you
But now I am finally fighting my own point of view
But I never want to see all the weight of your world crashing through
So I'll just leave it along
And the rest will be up too youI don't really wanna care for you
I don't really wanna be here after all
I'm through
Did I ever really care for you?
Do you think you'll miss me after all?
Doesn't matter what you say you'll do
I'm through

I'm through
I said I'm through with youNow I'm through
I'm done with you
I don't care what you do
I'm won't come back to you
Now I'm through
I'm done with you
I don't care what you do
I'm won't come back to you
Come back to you
