

# I Always Knew

## The Vaccines

Down, down in my bones  
Somewhere I'd never ever known  
Right at the back of my head  
It hit me like a beam of light  
Hit me like a hook of the right  
And I could have fell to the floor  
'Cause you talk to me  
And it comes off the wall  
You talk to me  
And it goes over my head  
So let's go to bed  
Before you say something real  
Let's go to bed  
Before you say how you feel 'Cause it's you, oh  
It's always you, oh  
I always knew, oh  
It's you I try my best to unwind  
Nothing on my mind but you  
Oblivious to all that I'll owe  
I'm hanging on  
To what I don't know  
So let's go to bed  
Before you say something real  
Let's go to bed  
Before you say how you feel 'Cause it's you, oh  
It's always you, oh  
I always knew, oh  
It's you  
Yeah, it's you, oh  
It's always you, oh  
I always knew, oh  
It's you Well it's you, oh  
It's always you, oh  
I always knew, oh  
It's you  
I knew  
Well I always knew  
Yes I always knew, oh  
It's you
