

# The Big Picture

Robert Miles & Trilok Gurtu

Someone smashed my window  
Broke into my brand new car  
Last night  
Caught my boyfriend looking  
At another slender  
Pair of thighs  
Gotta make more money  
Gotta get gotta get there faster than  
The rest  
Knock 'em off the ladder  
If they even seem to  
Stand a chanceThe big picture  
Gotta big white cloud  
The big picture  
Is starin' at me  
Starin' at meWhy do I feel so threatened  
That somebody else will  
Take what's mine  
Babe it's only rented  
No one really owns the  
Merchandise  
What about what I want  
Somehow it got lost somewhere  
Inside  
My mother's on my case  
I told her it's my life  
Well, she just diedThe big picture  
Gotta big white cloud  
The big picture  
Starin' at me  
Starin' at me  
The big picture  
On a big blank wall  
The big picture  
Is starin' at me  
Starin' at meWhen I can see  
I'll try again  
I've got my paints  
The big picture...The big picture

Gotta big white cloud  
The big picture  
Starin' at me  
Starin' at me  
The big picture  
On a big blank wall  
The big picture  
Is starin' at me  
Starin' at me
