

We Found Love

Glee Cast

Yellow diamonds in the light
Now we're standing side by side
As your shadow crosses mine
What it takes to come alive
It's the way Iâ€™m feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Shine a light through an open door
Love and life I will divide
Turn away cause I need you more
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny (I just can't deny)

But Iâ€™ve gotta let it go , ooh

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Yellow diamonds in the light (In the light)
And we're standing side by side (Oh)
As your shadow, crosses mine

We found love!

We found love in a hopeless place (Ooh)
We found love in a hopeless place (In a hopeless place)
We found love in a hopeless place (Ooh-ooh)
We found love in a hopeless place (Hopeless place)

We found love!

We found love in a hopeless place (Oh oh)

We found love in a hopeless place (We found love)
We found love in a hopeless place (Ooh) (We found love)
We found love in a hopeless place
