Boss Of All Bosses

Slim Thug

It's Slim Thugga muthafucka, gotta lot to sell
But snitches already gotta lot to tell
So far as y'all know all I do is just rap
And give these streets something they can play in they trapLast year I had to put my city back on the map
This year we goin' hit 'em right back with a slap
I had the whole wide world tippin' on fours
Sippin' on drank, using gland slowClaiming they the boss, I guess they like my style
Copy what I do, man they like my child
I'm listening like damn man them boys wild
Thinking to myself, man them boys foulWriting everything from my slang to my smile
Thought I was goin' let it slide, hell naw
If the shoe fit wear it, listen to it compare it
You niggas ain't my fam', how my style you inheritI call all shots, all wins no losses
Follow me, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bossesFuck what'cha heard and fuck what they talking
They follow me, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bossesH-Town, trend setta, let me lead the way
The only rapper doing everything I say
Them other boys fiction, grew up being Christians
I'm a good dude, I just gotta lot of addictionsI love getting money, you can see it in my face
It's like I'm 'bout to bust when I stuff my safe
I love getting pussy but I hate these hoes
I'd rather hit the block and drop the top on foursI know you probably tired of hearing about my cars
That's what'cha get for turning hood niggas to stars
What the fuck you'll do it if you was me
Never had shit, now you rich as you can beUsed to hit lick's selling bricks in the streets
Now I'm selling hits for ten times the fee
And stand free, I ain't seeing no jails
The boss of the south goin' stay giving them hellI call all shots, all wins no losses
Follow me, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bossesFuck what'cha heard and fuck what they talking
They follow me, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bosses
I'm the boss of all bosses, I'm the boss of all bosses
