

It's On (Prod by Jahlil Beats)

Kid Ink

When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on ya'll ain't on this shit that I'm on
Eyes like I was made in Taiwan
Aces you could say what you want
Just blow me, I'm a ticking time bomb, boom
Might pull up in the car show
Niggas ain't gotta gas me like Arco
Riding through the city with a hood full of Broncos
Out just looking for the money like Waldo
I just wanna ball, Rondo
Make it rain in this bitch, get a poncho
Roll up blunt thicker than a hollow
Take one hit, might turn into a combo
Got one eye open like a raider
Better cuff your chick, I take her
Say I gotta tongue like skater shoes
And lay the pipe like 80 do
Ya'll ain't on this shit that I'm on
Ya-Ya'll ain't on this shit that I'm on
Ya'll ain't on this shit that I'm on
Ya-Ya'll ain't on this shit that I'm on Okay, money on my mind, put it in my hair
Eyes look like I was made in Japan
Fresh, ya'll niggas was made in a can
So fly, you can see when I land
Movie in the making, Hi my name is
2 in the air, call it double dating
Jahlil on the beat, I'm a troublemaker
Going through paper, staplers
One foot in tatted like a sailor
Trying to find a bad bitch, Naughty by Nature
Sorry baby, these ain't out yet
Gotta go back to the future for my outfit
Bitch I'm gone, see me from a distance
High off life, fuck a intervention
Ahh, burn slow like incense
Head up, chest out like imprints
Ya'll ain't on this shit that I'm on

Ya-Ya'll ain't on this shit that I'm on
Ya'll ain't on this shit that I'm on
Ya-Ya'll ain't on this shit that I'm on When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on bitch
When I'm on, it's on
