## Happy Camper

follow the masses  
they know the way  
to our headquarter  
you don't have to think  
at all  
at all if you join us

you never have to cry again  
again  
again  
we've made a plan for you  
solve all your problems just come all time  
we'll make your life easy trust us  
we know what we do  
come all time  
start a laughter at night follow the schedule

no need to read the small print  
we'll turn your soul into gold we've made a plan for you  
solve all your problems just come all time  
we'll make your life easy trust us  
we know what we do  
come all time

oh I don't belong  
to the poorer souls  
oh im wasting their time  
quiet in the dark  
worrying
