

# Don't Hurt Me (ft. Nicki Minaj & Jeremih)

## DJ Mustard

Tryna get up in my head, now that's a headache  
I just wanna fuck, I make the bed shake  
She wanna spend some time, now that's a Rollie  
Shawty ride the dick, just like it's stolen  
Met her at the Westin with her bestie  
Kissin', they were sweatin', doin' lip things  
Had to get up in that lil thang, yeah that lil thang  
Let her rock the mic, yeah and her lips sing  
They say that it's last call, so let's ball  
Tryna have that ass thrown on that pole  
Throw it back like retro, like it's retro  
Baby, baby, let's go, girl let's go We take it to my room, yeah  
Ain't no need to talk  
When that ass on me and the lights off  
Baby, I know what to do with it  
Give her what she want  
Now she wanna fuck a nigga all the time Oh baby, don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me  
Don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me Tryna get up in my head, now that's a headache  
I just wanna fuck, and get my cake ate  
You wanna spend some time, that's a Rollie  
I'mma ride his D, like it's stolen  
I met him in the Hills out in LA  
Took me for a cruise, yeah, Penelope  
Had to sit up on that big thing, that big thing  
Super duper freak, yeah, like Rick James  
They say that it's last call, for that bar  
Tryna get that peach Myx Moscato  
Make it clap like when the home team score  
Baby don't you hurt me like before Take you to my room, yeah  
Ain't no need to talk  
When this thing in your mouth, down south  
Baby, you know what to do with it  
Gave him what he want

Now he wanna hit your girl all the time  
Oh baby, don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me  
Don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me  
All these bitches beggin' me to pass the baton  
All these bitches tryna fit my crown and my wand  
Bitches still my sons, get your sonogram on  
Just a nick of time I did the cover of TIME  
Gettin' a million dollars just to stand there and rhyme  
Even if you was Curry, bitch, there's still a LeBron  
But let's face it, I'm Curry, with rings like LeBron  
Added my rings up, that's Mike Jordan  
I told bitches when I switched my flow four times  
I'd be damned if a bitch nigga eat off mine  
All this cake make a broke nigga beat off, huh?  
I'm just lookin' for a man, fuck a B-O-Y  
Don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me  
Don't hurt me, hurt me, hurt me  
You know I like it naughty, naughty, naughty  
When they hear me, want that sexy, sexy, sexy  
Want lovin' if you let me, let me, let me
