Just Before Goodbye

Nina Nesbitt

You got new jeans, the hoodie's not gone
I'm in a new dress that I've never worn
And I could have sworn

You didn't bat an eye when I walked
Into the room where I first thought
You could be the one

Have we been seeing the world through
A piece of shattered glass
Cos something so beautiful
Could fall apart so fast

Just before goodbye
You had the chance to change your mind
Just before you lied, saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
You had one last chance to change your mind
Just before goodbye

Curtains are drawn but we're still dressed
The film plays on while under my breath
I ask what is left, now

But you ignore, pretend that we're fine
But we're not together half of the time
I would have known the signs

Have we been seeing the world through
A piece of shattered glass
Cos something so beautiful
Could fall apart so fast
Don't you understand

Just before goodbye
You had the chance to change your mind
Just before you lied, saying
You gave this your best try

It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbye

Just before goodbye
You had the chance to change your mind
And just before you lied, saying
You gave this your best try
It's not enough to try
You have to give your blood and tears and time
Take the world of hurt inside
You had one last chance to change your mind
Just before goodbye

Before goodbye
Before goodbye
