

# Just Before Goodbye

[Nina Nesbitt](#)

You got new jeans, the hoodie's not gone  
I'm in a new dress that I've never worn  
And I could have sworn

You didn't bat an eye when I walked  
Into the room where I first thought  
You could be the one

Have we been seeing the world through  
A piece of shattered glass  
Cos something so beautiful  
Could fall apart so fast

Just before goodbye  
You had the chance to change your mind  
Just before you lied, saying  
You gave this your best try  
It's not enough to try  
You have to give your blood and tears and time  
You had one last chance to change your mind  
Just before goodbye

Curtains are drawn but we're still dressed  
The film plays on while under my breath  
I ask what is left, now

But you ignore, pretend that we're fine  
But we're not together half of the time  
I would have known the signs

Have we been seeing the world through  
A piece of shattered glass  
Cos something so beautiful  
Could fall apart so fast  
Don't you understand

Just before goodbye  
You had the chance to change your mind  
Just before you lied, saying  
You gave this your best try

It's not enough to try  
You have to give your blood and tears and time  
Take the world of hurt inside  
You had one last chance to change your mind  
Just before goodbye

Just before goodbye  
You had the chance to change your mind  
And just before you lied, saying  
You gave this your best try  
It's not enough to try  
You have to give your blood and tears and time  
Take the world of hurt inside  
You had one last chance to change your mind  
Just before goodbye

Before goodbye  
Before goodbye
