

# What's Changed (feat. Katie Holmes)

Craig David

Hey baby, oh tell me Craig  
Why d'you want to play these games with me?  
Thought you always wanted to be with me Well at first girl I wanted to  
But things have changed between me & you  
That's why I don't know what I'm gonna do Lately, you say I've been acting kind of strangely ?  
Like I don't love you no more  
You say call me, but I just can't explain it's all so crazy  
Between me & you baby oh And even though at first you meant the world to me  
The time has come to spread my wings & be set free  
So I can figure out the place where I belong  
To find my way home now love has gone  
Oh my pager saying... Why don't call me no more ?  
It was every night you were calling me before  
Given half a chance you'd be knocking at my door  
So tell me what's changed, why don't you give me some time?  
Tell me 'cause I can't get you out of my mind  
Right up until now we've been doing just fine  
So tell me what's changed Baby since we met I've treated you like a lady  
But now I don't know what to do  
I think maybe, it's just that my well for you's run empty  
What'm gonna do baby oh And even though at first you made me so happy  
My love for you has changed so put the blame on me  
Under pressure it's too hard for me to stay  
And I feel so guilty when you page me everyday with oh ... Why won't you answer my page ?  
It was you who said thing were never gonna change  
And it seems like lately you're acting kinda strange  
So tell me what's changed, why can't you even pass by?  
Spare some time even just to say hi  
You're not the type of guy who would make a girl cry  
So tell me what's changed Girl I know it seems like I don't care  
After all the things we used to share  
Now I know it feels like I've done you wrong  
But the pain will heal the sooner that I'm gone  
Still on my pager saying... Why don't call me no more ?  
It was every night you were calling me before  
Given half a chance you'd be knocking at my door  
So tell me what's changed, why don't you give me some time?  
Tell me 'cause I can't get you out of my mind  
Right up until now we've been doing just fine

So tell me what's changed Why won't you answer my page ?  
It was you who said things were never gonna change  
And it seems like lately you're acting kinda strange  
So tell me what's changed, why can't you even pass by?  
Spare some time even just to say hi  
You're not the type of guy who would make a girl cry  
So tell me what's changed Girl I never meant to make you cry  
But it's so hard to find the words to say  
Though I never wanted girl to hurt you  
Oh no girl please believe me ...
