Faget

Korn

Him
Here I am different in this normal world
Why did you tease me?
Made me feel upset
Fucking stereotypes
Feeding their heads
I am ugly, please just go away
(Him)
I can see inside you fine
This blessing in disguise
(Him)
Why you treat me this way?
Made to hate to stay
I sound
Like I can never seem to escape
All the laughing, all the pain
If you were me, what would you do?
Nothing probably
You'd just throw me away
I can see inside you fine
(Him)
This blessing in disguise
Why do you treat me this way?
(Him)
Made to hate to stay
Faget
Faget
Faget
Here I am different in this normal world
Why'd you tease me?
Made me feel upset
Fucking stereotypes
Feeding their heads
I am ugly, please just go away
(Him)
I can see inside you fine
This blessing in disguise
Why do you treat me this way?
(Him)

Made to hate to stay
Faget
(Him)
I'm just a pretty boy, whatever you call it
You wouldn't know a real man if you saw it
It keeps goin' on day after day, son
You fake, if we don't want none
I'm sick and tired of people treating me this way everyday
Who gives a fuck?

Right now, I got somethin' to say
To all the people that think I'm strange
And I should be out here locked up in a cage
You don't know what the hell is up now anyway
You got this pretty boy feelin' like I'm enslaved
To a world that never appreciated shit
You can suck my dick and fuckin' like it
He had my gun but he had a body mighty, anysay
He had my gun but he had a body mighty, anyway
He had my gun but he had a body mighty, going to say
He had my gun but he had a body mighty, anyway
He had my gun but he had a body mighty, anysay
He had my gun but he had a body mighty, going away
He had my gun but he had a body mighty, going to say
He had my gun but he had a body mighty, anyway
I'm just a pretty boy, I'm not supposed to fuck a girl
I'm just a pretty boy, livin' in this fucked up world
I'm just a pretty boy, I'm not supposed to fuck a girl
I'm just a pretty boy, livin' in this fucked up world
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life, who am I?
All my life
I'm just a faget
(Faget)
I'm just a faget
(Faget)

I'm just a faget
(Faget)
I'm a faget
(Faget)
I'm not a faget
(Or am I?)
(Faget)
I'm not a faget
(Or am I?)
(Faget)
I'm not a faget
(Or am I?)
(Faget)
You motherfuckin' queers
