

Blood In The Tears

Demon Hunter

Don't come on quietly when you draw near

Don't go on lightly

Don't leave me here

I wither quickly in winter's cold, but carry onward like I was told
And I wait for a sign
Like blood in the tears of
all my enemies (So they will see)

Knowing the pain the way they should

Blood in the tears of all my enemies (Given to me)

Leaving a trail to where you stood
And when it's quite, when you can hear, I beg you take me away from here
