

Meetings With Remarkable Men (Show Me the Hero)

Harvey Danger

I had a lovely brunch with Jesus Christ.

He said, "two words about inanity: fundamental christianity."

The food was very nice.

But then He had to go and die for my sins and stick my ass with the check. "Show me a hero and il write you a tragedy,"

(Go near an open window and thatl be the end of me).I bowed before the avatar.

He said, "the problem clear to me: you never got over morrissey."

I said "well, right you are!"

"It so much harder to be underfed than under-understood," he said.I went to see KIP WINGER!

He said, "In my day we knew how to party; bands today, con, not hardly."

He had a back-up singer (doo doo doo doo).
