To Lose

Oceaan

Nothing that's more than a girl can do
It's all in your mind
Now time is fading through our memory
I stress too much to loseNothing that's more than a girl can do
It's all in your mind
Last chance, oh last chance is coming sometime soon
I'm just the last to chooseGetting to
Getting to
Getting to
Getting to
Getting to
Getting to
Getting to
Getting to
Getting to
Nothing to
Nothing to
Getting to
Nothing to
Nothing to
Getting to
Where did you go
All know is I should of looked a little higher
When I let you goWhere did you go
All know is I should of looked a little higher
When I let you goWhere did you go
All know is I should of looked a little higher
When I let you goWhere did you go
All know is I should of looked a little higher
When I let you go
Where did you go
All know is I should of looked a little higher
When I let you goWhere did you go
All know is I should of looked a little higher
When I let you go
