

# Ain't Nobody

## Rufus & Chaka Khan

Captured effortlessly  
That's the way it was  
Happened so naturally  
I did not know it was love  
The next thing I felt was you  
Holding me close  
What was I gonna do?  
I let myself go And now we're flyin' through the stars  
I hope this night will last forever  
I've been waitin' for you  
It's been so long  
I knew just what I would do  
When I heard your song  
Filled my heart with your bliss  
Gave me freedom  
You knew I could not resist  
I needed someone And now we're flyin' through the stars  
I hope this night will last forever  
Oh oh oh Ain't nobody  
Loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody  
Loves me better than you  
I wait for night time to come  
And bring you to me  
I can't believe I'm the one  
I was so lonely  
I feel like no one could feel  
I must be dreamin'  
I want this dream to be real  
I need this feelin' I make my wish upon a star  
And hope this night will last forever  
oh oh oh oh CHORUS First you put your arms around me  
Then you put your charms around me  
I can't resist this sweet surrender  
Oh my nights are warm and tender  
We stare into each other's eyes  
And what we see is no surprise

Got a feeling most would treasure  
And a love so deep we cannot measure

CHORUS
