Ladi Dadi

Steve Aoki, Wynter Gordon

Uh na na naThe time; isn't right
The time; isn't right
The time, the time, the time, the time
A little bit of ..
A little bit of ..
A little bit of ..
A little bit of ..Chorus:A little bit of .. A little bit of .. A little bit of ..
A little bit of talk
A little bit of pleasure
A little bit of making out
And then we work it out
A little smokey smoke
Tell me a dirty joke
Up on your roof, up on your roof.
and we don't need no party
'cause I'm a little party; just us two, just us two
And we don't need no party 'cause we go ladi dadi
Just us two, me and you, me and youTake a walk with me
And we'll go dancing in the rain ..
And baby we'll run under a tree
I look at you, you look at meA little bit of ..
A little bit of ..
A little bit of ..
A little bit of ..Chorus:A little bit of .. A little bit of .. A little bit of ..
A little bit of talk
A little bit of pleasure
A little bit of making out
And then we work it out
A little smokey smoke
Tell me a dirty joke
Up on your roof, up on your roof.
and we don't need no party
'cause I'm a little party; just us two, just us two
And we don't need no party 'cause we gone ladi dadi
Just us two, me and you, me and you
