Some man have no money and steal try fi beg a thing
If you no drop no green

Smell of marijuana round di corner dem juggling
One mad man gettin frustate outta di garbage pin hey...

It's a rudeboy town
It's Kingston town
Sibilidowndown
Sibilidowndown
It's a rudeboy town

This a di gun land
blood run cool pon the white son
Concrete a bun

Babylon bwoy them till a youth
and one whole woman no chance
While a next set a monster di ratatatantan

Then dig more grave than rouse open hills and
Small community get what shoot by a blood star
Every weekend same routine
what you function
push them call more dead than 9/11 destruction
hey!

(Chorus)

Sibilidowndown
Sibilidowndown
It's a rudeboy town
It's Kingston town
Sibilidowndown
Sibilidowndown
It's a rudeboy town
It's Kingston town

Di gal dem pants tight like robber suite
And a dem blows one tidy stomp I do perfect boobs
Dem always a smile if you go bear di isle
Dem a go play you one trick if you a mamas bwoy
It's a tough man town
Theres no crown and no throne
It a go lick you down
With da dancehall flown
If you a stranger and you're drive
Mek sure you know the route
You don't wanna get salute
By a gun despute
