

Employee Of The Month

2 Chainz

Yeah, yeah
2 Chainz
If I ain't at the party
Then it ain't started
This is trend setting
You niggas is trend following
I don't care if she's modelling
As long as she's swallowing
Bitches all around my crib
I got hoes all on my ottoman Yea I love these girls
Bitches on my dick
Been around the world
Ain't seen shit like this
Ain't seen shit
Ain't seen shit
Ain't seen shit like this
Ain't seen shit
Ain't seen shit
Ain't seen shit like this
From the back, to the front
She the employee of the month
She shook her back then front,
She the employee of the month
Back, front
I'm back to front I did what I said I would anyway
I do this shit, like anyday
Nigga want to play around like a playground
Nigga laydown, look at that trigger plate
Southside, lean with the my MI-WI
Started from the inside, drag his ass outside
Chain so big you can see that shit from the blind side
At their neck like a bow tie, I'mma be a multi
Opposite of broke
You can't go where I go
Mop their ass, they got a motherfucking dry floor
And I walk on a tight rope
I got balance and them Balenciagas
And I woke up, whole enchilada
I got a bitch beside, I got a bitch beside Yea I love these girls

Bitches on my dick
Been around the world
Ain't seen shit like this
Ain't seen shit
Ain't seen shit
Ain't seen shit like this
Ain't seen shit
Ain't seen shit
Ain't seen shit like this
From the back, to the front
She the employee of the month
She shook her back then front,
She the employee of the month
Back, front'Cause everybody needs love
We never seem to get enough
I'll show you what it's made of
Just need you to lift me up
(Lift me up, lift me up)Yea I love these girls
Bitches on my dick
Been around the world
Ain't seen shit like this

Ain't seen shit like this
From the back, to the front
She the employee of the month
She shook her back then front,
She the employee of the month
