

# Hey Pretty Girl(acoustic)

**Kip Moore**

Hey pretty girl, won't you look my way?  
Love's in the air tonight  
You can bet you make this old boys day  
Hey pretty girl, won't you look my way? Hey pretty girl, can I have this dance?  
And the next one after that  
Gonna make your mind there's a real good chance  
Hey pretty girl, can I have this dance? Hey pretty girl, it feels so right  
Just like it's meant to be  
All wrapped up in my arms so tight  
Hey pretty girl, it feels so right Life's a lonely, winding ride  
Better have the right one by your side  
And happiness don't drag its feet  
And time moves faster than you think Hey pretty girl, wanna take you home  
My momma's gonna love you  
She'll make me sleep on the couch, I know  
But hey pretty girl, wanna take you home Hey pretty girl, lets build some dreams  
And a house on a piece of land  
Plant some roots and some apple trees  
Hey pretty girl, lets build some dreams Life's a lonely, winding ride  
Better have the right one by your side  
And happiness don't drag its feet  
And time moves faster than you think Hey pretty girl, you did so good  
Our baby's got your eyes  
And a fighters heart like I knew she would  
Hey pretty girl, you did so good Hey pretty girl when I see the light  
When it's my time to go  
Gonna thank the Lord for a real good life  
Pretty little girl and a beautiful wife
