

# Rest In Peace

## Gravediggaz

Oh yeah, oh yeah, oh yeah, oh yeah  
It ain't over motherfuckers  
(no shit!)As we enter, the beginning of the end  
(the sounds you are about to hear, may be devastating to your ear)  
The end, of the beginning  
Fr-from the pits, from the, ark  
It ain't over, ain't never gonna be over!  
We got the Paul Newman!  
Grave, Gravediggaz!  
The shadow, the dark side  
When you least expect  
Uh-under the bed!  
Lurking, lurking! Yeah, forever  
Gatekeeper  
Grym Reaper  
Ryzarector  
Undertaker  
There's-the-there's nowhere to run  
No-nowhere to hide  
It's a suicide, a suicide  
'Cause we got the constant elevation, constant, constant  
So witness the diary of a madman  
Come come, as we bring the sorceress, the sorceress  
(I love it, I love it I love it!)  
Pass-pa-pass the shovel kid  
We gotta dig another grave  
One, eight hundred, suicideThe world it ain't safe it ain't safe no more  
The world it ain't safe no moreGravediggaz  
Gravediggaz!
