Satisfied

Donnie Klang

She walks with a stride and she got her style.
Shawty can it get any better.
Anywhere that she goes, she steals the show.
I wanna make her mine's forever.
And I wonder if she knows.
When she talks to me how much I'm in love with her (Oh oh)
It's written in my eyes, you know it when I speak so I hope she's listening to me.
Cause what I'm tryna say is.She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
Girl I can't be satisfied, satisfied. Girl I can't be satisfied, satisfied.She gets what she wants from anyone.
Them boys are running around in circles.
But somehow I know if we were alone, she'd say I feel so perfect. (?)
And I wonder if she knows.
When she talks to me how much I'm in love with her (Oh oh)
It's written in my eyes, you know it when I speak so I hope she's listening to me.
Cause what I'm tryna say is.She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
Girl I can't be satisfied, satisfied. Girl I can't be satisfied, satisfied.I want to take her out tonight (Have a conversation)
(Ooh) And show her a good time (Yeah, yeah)
Cause she ain't never met a man like me.
When I get the chance, I know she will see.She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
She gotta roll with me, she gotta be all mine 'til in the end, keep me satisfied.
