You deserve it

Assorted Nails

You deserve it
You deserve it
You deserve it, Future
You deserve it
You deserve it
You deserve it
You deserve it, Future
You deserve it
I faced so many dudes
I never lose my cool
Just the other day, my lil? cousin call me from school and said
You deserve it
You deserve it
You deserve it, Future
You deserve it
(Turn it up)
Ain?t asked for this, not worth for this
I was in the dungeon, that place?s a sin
Catch the jiggers, got penitantion
No harm, nigga, my slang tremendous
I?m better than you and I know it
I will show it
You ain?t flowin like I?m flowin?
That?s right, I?m goin?
And since you ain?t goin?
No one can go in
They knowin? it and I?m glowin?
To a mother I come up with discretion
I pick that up a week up
I caught ?er in my bed from day one
Gon keep a month up
I believe we keepin? to one thousand and stayin? humble
You?re right, I told ?er take through to jurn up
Keep it slammin?, tell the T when I was standin? on the count up
With the studio, just put that crack of heavy on ?er
You deserve it
You deserve it
You deserve it, Future
You deserve it

You deserve it
You deserve it
You deserve it, Future

You deserve it
I faced so many dudes
I never lose my cool
Just the other day, my lil? cousin call me from school and said
You deserve it
You deserve it
You deserve it, Future
You deserve it
(Turn it up)
I go so fuckin? hard, till my heart skip a beat
I always in expensive, ain?t nothin? about me cheap
On the minute you think that you see me
Sing Michael Jackson ? Billie Jean
I was plannin? to change it to rappin?
Sometimes feel though I?m sick
My passion (my passion)
It goes without bein? said
To fool somebody let boy
I peg down to solid salvation
You on the reseat too long and then you go
You stay down in quiet for long and it?s gon show
It brings water to my eyes just to hear me on the radio
You wouldn?t understand the route I had to take to get here so
I worked for this (I worked for this)
It didn?t come easy (It didn?t come easy)
Now people hear me up and say he rap a jizzic, cuz
You deserve it
You deserve it
You deserve it, Future
You deserve it
You deserve it
You deserve it
You deserve it, Future
You deserve it
I faced so many dudes
I never lose my cool
Just the other day, my lil? cousin call me from school and said
You deserve it
You deserve it
You deserve it, Future
You deserve it

(Turn it up)
