

Sandwiches Time

Weezer

Until a better time
You walk along that line
Love me
Love me You do it
You do it
Until you're blue
You want it, ah Into another place
You walk along the face
Love me
Love me You do it
You do it
Until you're blue
You want it, ah Sandwiches time
Sandwiches time
Sandwiches on my mind You do it
You do it
Until you're blue
You want it, ah Sandwiches time
Sandwiches time
Sandwiches on my mind Into another place
Into another place
Oh, oh, oh, oh, oh
