

Surrender the Rain

[Lindsey Buckingham](#)

Oh you foolish pretender
Somebody's calling your name
Foolish pretender, oh won't you surrender
The rain, the rain? All those colors are changing
The chance won't come again
Foolish pretender, oh won't you surrender
The rain, the rain? Fly, fly away home
Fly, or you'll turn to stone Oh, you foolish pretender
Why do you remain?
Foolish pretender, oh won't you surrender
The rain, the rain? Silence of stone
Memory of shame
Fly away home
Surrender the rein
Surrender the reign
Surrender the rain
