I'm Talking 'Bout Me

Admiral Twin

Later on
Later I canâ€™t explain
Would you ask me again
when Iâ€™m feeling a bit sane?
Sometimes I try to think
and I think myself
out of my mind...

Iâ€™m talkinâ€™ â€™bout me
(5 more times)

Took a hit
Bit off more than I could chew
Thought it was the end
then I ran into you

You bring a peace
to my life
Restoring sight
to the blind

Iâ€™m talkinâ€™ â€™bout me
(you know the pattern)

Iâ€™d stop the world
if I could
Suspend all space and time
Canâ€™t stop it
Wonâ€™t look behind

Iâ€™m talkinâ€™ â€™bout me
(over and over and over...
a bit self indulgent, donâ€™t you think?)
