

# Evil Minds

## Dri

Horrible plans of hate they're tending  
The evil minds with plans predicting  
Bitter vibes of hate they're sending Broken heart and mind is mending  
Deflective action onslaught ending  
Crazy plans of fame descending Horrible plans of hate they're tending  
The evil minds with plans predicting  
Bitter vibes of hate they're sending Broken heart and mind is mending  
Deflective action onslaught ending  
Crazy plans of fame descending  
And conspiracy is all I fear
