

# No Reason

Nick Lowe

Little dariin' don't look away  
You don't have to be sad anymore  
'Cause

[Chorus]  
There ain't no reason  
No single reason in the world  
Little darlin' please dry your eyes this time

Don't you be sad to me  
like you did before  
'Cause

[Chorus]

Little darlin' I can understand your pain  
There's too much confusion goin' round  
and

[Chorus]
