

Open Book

Elizabeth & The Catapult

Iâ€™m an open book
Oh, darling donâ€™t u know I mean it
No fixing to unfold
No stories left untold
No decorations
No more secrets

Iâ€™m an open book
Clear and wide as a morning skyline
Iâ€™ve got no cam recorder device
No pretty words, no compromise
So câ€™mon baby, wonâ€™t you read me

Darling wonâ€™t you take a second look
Yeah I promise to be good
Wonâ€™t you take a second look
Inside this open book

Lala lal ala

Got an empty page
Have a tale without an ending
I have yet to write the lines
They are words (?) and they are mine
So letâ€™s take comfort in believing
I have an open heart
My wounds will heal throughout the seasons
I wonâ€™t give up a single hope
The day is ours and thatâ€™s all I know
So letâ€™s get ready to receive it

Darling wonâ€™t you take a second look
Yeah, I promise to be good
Wonâ€™t you take a second look
Inside this open book
Lalal lalalal
