Can't Get Over

September

You...
Don't want hear your name!
Don't wanna see your smile!
Cause Baby I'm still crying.And go, it's time for you to get out!
I'm sick of standing my ground,
Cause I just end up running.
And I go to sleep believin' in tomorrow,
But I wake up screaming, half way through the night.You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try,
And I don't know why?We...
Will always be the same!
You say it's time for a change,
But I don't see, one coming.So I climb out of the darkness of your lovin,
But I end up falling back into your armsYou know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try,
And I don't know why?From beginning to end,
once again right back to where we started.
I know, I'm right
We were wrong all along!You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try.You know I can't get over,
And I don't know why?
You know I can't get over,
No matter how I try,,
And I don't know why?You know I can't get over!
