I don't know what it is that you've done to me
But it's caused me to act in such a crazy way
Whatever it is that you do when you do what you're doing
It's a feeling that I want to stay
Cause my heart starts beating triple time
With thoughts of loving you on my mind
I can't figure out just what to do
When the cause and cure is youI get so weak in the knees
I can hardly speak
I lose all control
And something takes over me
In a daze your love's so amazing
Its not a phase I want you to stay
With me by my side
I swallow my pride
Your love is so sweet
It knocks me right off of my feet
Can't explain why your lovin makes me weakTime after time after time I tried to fight it
But your love is strong it keeps on holding on
Resistance is down when you're around cries fading
In my condition I don't want to be alone
Cause my heart starts beating triple time
With thoughts of loving you on my mindI can't figure out just what to do
When the cause and cure is youI get so weak in the knees
I can hardly speak
I lose all control
And something takes over me
In a daze it is so amazing
Its not a phase I want you to stay
With me by my side
I swallow my pride
Your love is so sweet
It knocks me right off of my feet
Can't explain why your lovin makes me weakI try hard to fight it
No way can I deny it
Your love's so sweet
Knocks me off my feet
