Lighthouse (Acoustic Version)

Hearts & Colors

Looking back when we were younger
Sneaking out to feed the hunger
Oh, nobody knowsGetting caught behind the station
Remember that police been chased us
Oh, nobody knows
We have come so far
We can't turn back now
Let me walk you down this roadFollow me, follow me when it's dark out
I will be, I will be your lighthouse
And if you're lost, ohhh
I'll lead you back home
Follow me, follow meThere was a time you told me secrets, but you were scared I wouldn't keep them
Oh, but nobody knows
We used to smoke and watch the airplanes, making-out as the ground shake
Oh, still nobody knowsWe have come so far
We can't turn back now
Let me walk you down this roadFollow me, follow me when it's dark out
I will be, I will be your lighthouse
And if you're lost, ohhh
I'll lead you back home
Follow me, follow meFollow me, follow me when it's dark out
I will be, i will be...Follow me, follow me when it's dark out
I will be, I will be your lighthouse
And if you're lost, ohhh
I'll lead you back home
Follow me, follow me
Follow me, follow me
Follow me, follow me
