

Endlessly

Nothing

Mother
Reflect the Heaven sky
Father
Angel with bestial eyes
Gently
Love Us Gently
Endlessly
Love Us Gently
Stains on the sheets
Childhood blood that would soak through our jeans
Infinite Sun
Childhood Love that was covered in mud
Sister
Danced with the Moon so high
Brother
Swan in the Sun and Fire
Heavy
The Worlds So Heavy
Carry
The Worlds So Heavy
In circles we spun
And fell to her Earth to the dirt we came from
Infinite Sun
