

# Rockin' Back Inside My Heart

[Julee Cruise](#)

Tell your heart that I'm the one  
Tell your heart it's me I want you  
Rockin' back inside my heart  
I want you  
Rockin' back inside my heart  
Rockin' back inside my heart Shadow in my house  
The man he has brown eyes  
She'll never go to Hollywood  
Love moves me I want you  
Rockin' back inside my heart  
I want you  
Rockin' back inside my heart  
Rockin' back inside my heart Tell your heart, you make me cry  
Tell your heart, don't let me die I want you  
Rockin' back inside my heart  
I want you  
Rockin' back inside my heart  
Rockin' back inside my heart Shadow in my house  
The man he has brown eyes  
She'll never go to Hollywood  
Love moves me I want you  
Rockin' back inside my heart  
I want you  
Rockin' back inside my heart  
Rockin' back inside my heart She'll never go to Hollywood Do you remember our picnic lunch?  
We both went up to the lake  
And then we walked among the pines  
The birds sang out a song for us We had a fire when we came back  
And your smile was beautiful  
You touched my cheek and you kissed me  
At night we went for a stroll The wind blew our hair  
The fire made us warm  
The wind blew the waves  
Out on the lake We heard the owl in a nearby tree  
I thought our love would last forever
