Voodoo People

The Prodigy

Magic people, voodoo people.
The voodoo, who do, what you don't dare to people.
Voodoo!

The voodoo, who do what you don't dare to people.
The voodoo, who do what you don't dare do people.
The Voodoo!

The voodoo, who do what you don't dare to people.
The voodoo, who do what you don't dare to people.

Magic people, magic people, voodoo people, magic people. [Repeat: x3]
Magic people, magic people, voodoo people, Voodoo!
