In The Midnight Hour

Kenny Bernard & The Wranglers

6, 7, 8, 9, 10
I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there's no one else around
I'm gonna take you girl and hold you
And do all the things I told you
In the midnight hour, yes I am
I'm gonna wait till the stars come out
And see that twinkle in your eye
I'm gonna wait till the midnight hour
That's when my love begins to shine
You're the only girl I love
That really loves me so
In the midnight hour, the midnight hour
I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
Till my love begins to shine
Yes you and I, yes you and I, yes you and I
In the midnight hour, the midnight hour
The midnight hour, the midnight hour
The midnight hour, the midnight hour
The midnight hour
