Get Up

Dropkick Murphys

I went North to see the Stiff Little Fingers play
The kids in the Belfast were tearing it up
Jake is the punkest dude I do declare
He got a leather jacket, and the spikey hair
We all fall down
So get up now
We all fall down
So get up now
Since '77 they've made music for me and you
Playing punk rock songs while the bombs they blew
And now I suspect these songs are about pain and strife
But I'll tell you this they didn't waste their life
We all fall down
So get up now
We all fall down
So get up now
Why don't you get up and get out?
Why don't you get up and get out?
Get out
Why don't you get up and get out?
Why don't you get up and get out?
Get out
