

I Am a Winner

Itani Madima

When I think of the Victory Jesus gave me
I feel like Rejoicing, Celebrating Yeah
I am running a race, with only one aim
Victory is certain with Jesus Yeah

I am a winner
Winner, Just like Jesus
Because he Lives in my heart
All the time

I am a child of God
I am an heir of the Father
Born of the incorruptible word of God
Which liveth and abideth forever
I am an ambassador of Jesus Christ
Rooted and built up with Him
I am the temple of the holy ghost

I am a winner
Winner winner winner *2

There is a battle the devil will never forget
Jesus went to hell and he beat them right at home
He won the battle and gave me the victory
I am a Victor, I am a winner Yeah

I am more than a conqueror
Complete in Jesus Christ
Delivered from the kingdom of darkness
Into the kingdom of Jesus Christ
Justified and sanctified

I am winner
Winner winner winner *2

I can do all things, Through Jesus
Strong in the Lord, in the power of his might
I am following the footsteps of Jesus
Why should I loose with the Lord in front of me

I am winner,
Winner just like Jesus
Because he lives in my heart all the time
