Of Ice and Movement

God Seed

can see
when you stay low nothing happens
does it feel right?Late at night
things I thought I put behind me
haunt my mindI just know there's no escape
now once it sets its eyes on you
but I won't run, have to stare it in the eye
Stand my ground, I wont give in
no more denying, I got to face it
won't close my eyes and hide the truth inside
if I dont make it, someone else will
stand my groundIt's all around
getting stronger, coming closer
into my worldI can feel
that it's time for me to face it
can i take it?Though this might just be the ending
of the life I held so dear
but I won't run, there's no turning back from here
Stand my ground (repeat)All I know for sure is I'm trying
I will always stand my groundStand my ground (repeat x 2)
