Die Trying

Mais Uma Queda

i'm naked and violentthis is the first day of my life
finish last at the starting line
i live though friends who are barely there
but i love how you, i love how you
you look out for me and i love you
i live though friends who are barely therei'm naked and violent
an emotional wreckyeah, yeah
i'm not about to stop until i'm dead
i'm not about to stop until i'm dead
yeah come on
i'm not about to stop until i'm gone
you can't stop me yetthis is the first day of my life
i try so hardto hold on tight
i live through friends who are barely thereyou think you're ready?
yeah, i think i'm ready now
you think you're ready?
yeah, i think i'm ready now
you think you're ready?
well come on, come on let's dance!yeah, yeah
i'm not about to stop until i'm dead
i'm not about to stop until i'm dead
yeah, come on
i'm not about to stop until i'm gone
you can't stop me yet, noyou think you're ready?
i think i'm ready, yeah
you think you're ready?
well come on
you think you're ready?
yeah i think i'm ready now
you think you're ready?
i know i'm ready now
you think you're ready?
well come on, come on let's danceyeah, yeah
i'm not about to stop until i'm dead,
until i'm head
yeah come on
i'm not about to stop until i'm gone
you can't stop me yetyeah come on,
