

Iridescent

LINKIN PARK

When you were standing in the wake of devastation
When you were waiting on the edge of the unknown
And with the cataclysm raining down, insides crying save me now
You were there impossibly alone. Do you feel cold and lost in desperation
 You build up hope but failure's all you've known
 Remember all the sadness and frustration
 And let it go, let it go. And in the burst of light that blinded every angel
 As if the sky had blown the heavens into stars
 You felt the gravity of temper grace falling into empty space
No one there to catch you in their arms Do you feel cold and lost in desperation
 You build up hope but failure's all you've known
 Remember all the sadness and frustration
 And let it go, let it go. Do you feel cold and lost in desperation
 You build up hope but failure's all you've known
 Remember all the sadness and frustration
 And let it go, Let it go
 Let it go
 Let it go
 Let it go Do you feel cold and lost in desperation
 You build up hope but failure's all you've known
 Remember all the sadness and frustration
 And let it go, let it go.
